

LITCHFIELD *chamber of commerce* PAGEANT

This Litchfield Tradition is a crowd favorite and a great opportunity to show your support!

There are many benefits of our pageant, and serving the community is by far one of the most meaningful and important. The Litchfield Chamber of Commerce Pageant is about being a service to our community, being a role model and making a difference. Pageants offer a way for young women in our community to learn perseverance and resilience. Each contestant learns interview skills, poise, the importance of self-awareness, confidence, grace, how to handle pressure, and the importance of volunteerism.

Community sponsors are the primary source of funding for this event and will help ensure its success. You can provide support in the following ways:
