"An incredible amount has changed in real estate over the past 30 years," said Dave Cisler. "We've experienced the highs of the late 90's through the mid 2000's, the lows of the 2008 recession and the steady growth since, and have come out stronger and more experienced from it all.

"Over the course of 30 years, the Cisler family's in-depth real estate sales, appraisals and management experience, along with clear market strategy and strong partnerships, have defined our success, and will continue to enforce our strong lead in the years to come. We have added our office in Litchfield full time to our market and have made it virtual in style for the safety of our staff as well as safety to our customers. The virtual office at 226 S. State Street, Litchfield, is a ONE OF A KIND - technological innovation - stop by and check it out!"

"We are entrepreneurial in our way of thinking, and that's been key to our success," emphasized Matthew Cisler, second generation of Cisler Real Estate. "I am engaged in my new career and am loving every minute. Working with new customers, first-time home buyers, and our Real Estate Team has been a dream of mine."

Dave continued, "From old friends to new, there has been a plethora of reliable people come through this office. Without any of them entering our lives, we would not be where we are today. So thank you to those who have come and gone. We are looking forward to the opportunities that lie ahead and continuing to grow our company for the next 30 years."
