

Would you like to support local students?

The Litchfield Chamber of Commerce has partnered with Litchfield High School to acknowledge student efforts at both Freshmen Orientation and for all students throughout the school year!

This is a great way to celebrate small acts of kindness, encourage friendly competitions and overall, give the students something small to look forward to.

They are seeking gift cards to local businesses of all kind!
No donation is too small or too big!

If you are interested, please drop off or mail gift cards or gifts to:
