

*Lincoln Land Community College in Litchfield is hosting a Montgomery County Schools Career Day for high school junior students on February 25, 2022! As part of the career day, students will learn about job qualifications and the outlook for our area from local experts. Students will also have the opportunity to explore different career choices. We are looking for local businesses and organizations who would like to be sponsors of this event by giving small monetary or gift card/gift basket donations that we can use as student prizes throughout the day. Along with your donation, we will advertise your business name in the auditorium or hallways the day of the event and print it on the back of the career day handout that will be given to each participating student, teacher, school administrator, and presenter.*

*Donations will be accepted through Friday, Jan. 28th. If you are interested in becoming a sponsor, please contact LLCC-Litchfield Director Jessie Blackburn by email at [Jessie.Blackburn@llcc.edu](mailto:Jessie.Blackburn@llcc.edu) or by phone at 217-786-3441.*
