

## Our 40th Annual Party in the Park was a Blast!

Party in the Park 2021 saw hundreds of carnival-goers enjoy the tremendous variety of entertainment on tap this year! And of course, the success of this event would not have been nearly so great without our sponsors:

Take a moment to refresh your memory of everything that took place at Party in the Park by looking over the agenda below. We owe a huge THANK YOU to so many people who worked tirelessly to make this year's event one to remember!

Also, be sure to check out the photos of many of the activities shown on the agenda below. To view (and download if you like) another 500 or so photos, click on the red box below. Due to scheduling conflicts of

various events, we were unable to capture several items, but those we did get show just how busy things were!

Pay particular attention to many of the Pancake-Eating contestants' expressions as they change from excited at the beginning to pained at the end. Check out the crazy games that the Litchfield high schoolers played as part of the All-town Pep Rally, and see all of the people who enjoyed the LHS Band numbers. And notice the various celebrations of runners at the Colors of Cancer Run as they navigate the course and cross the finish line!

For the 150 or so of you who participated in the Colors of Cancer Run, there is a section of photos dedicated to that event. We made an effort to capture a photo of everyone who ran and volunteered at the event, so see if you can spot your photo!

As is often the case with events of this magnitude, hiccups occur, which was the case with a last-minute substitution of the Hamilton Band for the Brat Pack Band. We truly appreciate the flexibility the Hamilton Band showed, and enjoyed their incredible music!

Again, thank you to all who attended Party in the Park this year, those who sponsored, and those who worked at the event as well as behind the scenes to make it such a success!
