Meet Jen!

I am a lifelong Litchfield resident, a wife, a teacher, and a mom of 3 not-so-littles-anymore. My husband and I chose to raise our family in Litchfield because our parents and grandparents reside here and it's a great place to live! There are boundless opportunities for our family and we love the small-town culture and charm. Some of my favorite parts of living in Litchfield are banding together for a worthwhile cause and knowing that when I step foot in my favorite gym, coffee shop, boutique, bank, and diner, the staff know me by name.

My passion lies in getting our youth into the community and experiencing what it feels like to give back to the people that have poured into them! I sponsor Student Council and coach Girls on the Run and t-ball. I am thrilled to have the opportunity to join the Chamber of Commerce!

I became an Independent Consultant with Rodan + Fields after witnessing firsthand the transformation my own skin underwent! I'm excited to share quality products with others! R+F offers clinical skincare solutions delivered to your doorstep without stepping foot in a dermatologist's office. There's truly something for everyone in your household!

I am happy to let Chamber Members try before you buy! Above all, customer satisfaction and service are my #1 priorities! We offer a 60 day, money-back, empty bottle guarantee! If you aren't seeing results, I'll personally help you return your products and get a refund!

I'd love to help you love the skin you're in!
