It's a busy harvest day on the railroad as train crews switch cars at the country elevator this holiday season. Want to help this harvest? Visitors to Litchfield's Hometown Holidays can get in on the action by visiting the HO scale model railroad located in the Bathurst building at 510 N State Street on Saturday November 27th. The public is invited to join in on the fun all afternoon before the Christmas parade that day, from 1:00 pm to 3:30 pm. Admission is \$1.00 for all visitors, with the exception of pre-school

age children, who are free.

Over 5,000 visitors have watched the electric trains run since 1998, when Litchfield Train Group began hosting the Open House in conjunction with the local Chamber holiday events.
